We recently met someone who looks a lot like you. This person acts, thinks, dresses and walks like you, but there’s a slight difference. There’s something special that radiates from within. It’s your new self—the healthiest, happiest version of you. Whatever it is you want to be more of or less of, it’s a better you!

Make the connection to a better you with your Online Wellness Toolkit, powered by WebMD Health Services. It’s a full set of health and wellness tools to create a better you!
Health Assessment

Filling out your Health Assessment opens the door to your Online Wellness Toolkit.

- It’s simple. The user-friendly, online survey takes about 10 minutes to complete.
- It’s thorough. When you’re done you’ll get a personalized report and health action plan based on your medical history, diet, exercise and sleep habits.

Take the first step toward becoming your best self. Take the Health Assessment today at anthem.com.

Your Digital Health Assistant

Now that you have finished your Health Assessment and have your personal health report in hand, you’re ready to set some goals. Your Digital Health Assistant can help.

It’s completely confidential and easy to use. Whether you want to lose weight, quit smoking, manage stress, boost your mood or exercise more, you can tap into the power of your Digital Health Assistant.

It’s always available online to help you meet your goals. The end result? Better choices, better health — and, a better you!
